

Ofinno, LLC Honored as Silver Stevie® Award Winner in 2024 Stevie Awards for Technology Excellence

Reston, VA, August 7, 2024 – Ofinno, LLC has been named the winner of a Silver Stevie® Award in the Company of the Year – Communications Technology category in the first annual [Stevie Awards for Technology Excellence](#), “the Olympics for technology.”

The Stevie Awards for Technology Excellence celebrate the remarkable accomplishments of individuals, teams, and organizations shaping the future of technology across all industry sectors.

Winners of the awards, named the Stevies from the Greek word meaning “crowned,” will be recognized during a gala awards dinner on Monday, September 16 at the Marriott Marquis Hotel in New York City.

More than 600 nominations from organizations of all sizes in 21 nations and territories were submitted this year for consideration in a wide range of tech-related categories, including Company of the Year, Educational or Research Institution of the Year, Technical Innovation of the Year, Technology Breakthrough of the Year, and more in a variety of industry groupings including Advertising, Marketing, and PR, Aerospace Technology, Biotechnology, Business Technology, Healthcare Technology, among others.

With an “enthraling tale of entrepreneurial triumph,” Ofinno, LLC has been recognized in the Company of the Year category for Communications Technology. According to one judge, this “small but mighty team is clearly demonstrating excellence in technological achievements, most notable by filing a record number of new inventions in the past year.”

“We are honored to receive the Silver Stevie for Company of the Year. This recognition truly reflects our employees’ dedication to advancement in the field,” said [Esmael Dinan](#), Ofinno’s founder and Chief Technology Officer. “Congratulations to our team and all the nominees in the first annual Stevie Awards for Technology Excellence!”

More than 100 professionals worldwide participated in the judging process to select this year’s honorees.

“We congratulate all of the winners in the inaugural edition of the Stevie Awards for Technology Excellence for their outstanding performance, and we look forward to celebrating their achievements on September 16,” said Stevies president Maggie Miller.
